Complementary feed for horses in the therapy of gastric ulcer treatment and
gastrointestinal ailments

GASTRO FIT FORMULA is a complementary feed based on a unique *Yarrowia lipolytica* strain and highly bioavailable essential **unsaturated fatty acid ethyl esters Omega-3/-6/**. It is rich in biologically active ingredients and exogenous amino acids. It contains the addition of **milk thistle, black cumin** and many other valuable phytochemicals.

GASTRO FIT FORMULA improves the digestive processes, ensures rapid growth of intestinal villi that support the absorption of nutrients, supports the healing of stomach ulcers and the liver performance and regeneration. It is dedicated for horses with gastrointestinal ailments, which are often the cause of poor general condition, loss of weight, appearance of colic symptoms, diarrhoea, lack of appetite and reduced exercise capacity of horses used in sport.
